TRACT CASE DECISION PENDING

Centerville Justice Court Is Scene of Builders' Trial

After hearing testimony in Centerville Justice Court for six hours yesterday, Judge Manley J. Clark of Livermore ordered the state's cases against C. G. Shuman and L. M. Lewis, developers of the Hansen Tract in Centerville, continued until August 29 for a decision.

Judge Clark ordered S. C. Smallwood, Oakland, attorney for the defendants, and Deputy District Attorney Frank Crews to submit written briefs of the case to him within 10 days.

YOUTHS BURGLARIZE NILES DRUG STORE

Two 16-year-old boys, one from Niles and the other of Centerville, were arrested early Saturday by Deputy Sheriff Henry Vervais and confessed to burglarizing the Rees Drug Store, First street, Niles, Friday night.

The store had been closed because of the death of the proprietor, D. R. Rees, since last Wednesday. The two boys broke a lock on the back door during the night Friday and made off with a loot of merchandise consisting of cigarettes, candy, gum, flashlights, combs and handkerchiefs. The majority of the loot was recovered in a barn at the home of the Niles boy.

Both boys were on parole from the Whittier Boys' Reformatory, one for having burglarized the Rees store last year. They have been turned over to juvenile authorities.

HAYWARD MAN DIES IN ALVARADO CRASH

Charles Millard Hurst, 33, 544 Front street, Hayward, was killed instantly about 3 p.m. Wednesday when the automobile which he was driving crashed into a roadside ditch one mile north of Alvarado on the Alquira Road.

Jack Lamb, 19, also of Hayward, and a passenger in the machine, told investigating officers that Hurst seemed to lose control of the car moments before it crashed. Lamb was uninjured in the accident.

Hurst was the husband of Mrs. Clara Hurst; son of Mr. and Mrs. Walter R. Hurst, Hayward; brother of Mrs. Anthony Romeo, Hayward, and Mrs. Adlie Cauley, Arkansas.

He was a native of Steele, Missouri and veteran of World War II. Funeral arrangements are pending at the Berge Mortuary Company, Niles.

KENNETH HALLEN RETURNS TO WORK

Kenneth Hallen, Irvington, who was seriously injured in an automobile accident in Irvington on April 27 and has been under doctors care since that time, has recuperated sufficiently to return to his job at the Occidental Stove plant next Monday.

NEW DISTRICT CAN NOT OPERATE FAIR, SAY SUPERVISORS

The Alameda County Board of Supervisors decided Tuesday that they will not turn over assets in the county fair account and the fairgrounds at Pleasanton to the newly set-up agricultural district of southern Alameda county.

Instead, the board prefers to continue operation of the fair under the management of the county fair association, from which both Sam Whiting and Ernest Schewen have resigned, and the membership of which reportedly has been and is being in process of enlargement. Dr. Paul E. Dolan of Livermore continues, however, as president.

The action of the supervisors apparently blocks the new agricultural district from any participation in the county fair. Yesterday, Dr. T. C. Wilson, who has been instrumental in the formation of the new agricultural district, and who heads the Niles Chamber of Commerce fair committee, had this comment to make:

"The important thing we accomplished was to block the sale of the Pleasanton track," he said. "If the board of supervisors is capable through the present fair association of conducting a fair worthy of the county we will be satisfied, because all we have tried to do is to set up the machinery for having a good county fair."

"However," he continued, "the agricultural district stands as a ready threat to the present fair association. If they do not put on a good fair next year, we will seek legislation to compel the turning over of the fair assets to the district for operation of a fair."

Under present plans, the board of supervisors will make a yearly contract with the present fair association for running the fair. Wray Bergstrom will act as secretary of the association and as manager of the fair.

Erection of new buildings at the fairgrounds, according to Supervisor Chester Stanley, will begin as soon as the county architect completes plans, which will be in approximately 60 days.

In the future, the district attorney will advise the fair association at all of its meetings and all accounts of the association will be audited by the county.

WORK BEGINS ON MISSION PIPELINE

Workmen began Monday clearing the right of way along the Niles-Mission San Jose highway in preparation for the laying of a new water pipeline from the Hatch-Hetchy line into Mission San Jose.

The ditch digging machine was expected to arrive today (Friday) to begin on the project. The work requires laying 7,000 feet of pipe and, when completed, will allow the mission district to draw all their water from the Hetch-Hetchy supply, thus relieving the wells that are supplying mission and other communities in the township.

According to the Board of Directors of the Alameda County Water District, an additional 3,000 feet of water line will be laid to supply new users along Palm Avenue, Mission San Jose.

FINED \$150 FOR DRUNKEN DRIVING

Archie Casey, 20, post office box 234, Niles, escaped injury Sunday evening when his parked car in which he was sitting was struck by a machine driven by William Knight Owens, 66, Oakland.

According to the report of investigating officers, Casey's car was parked near a highway food stand when it was struck. Owens was given a citation for drunken driving and was fined \$150 on his plea of guilty before Judge E. A. Quaresma in Niles Justice Court last week.

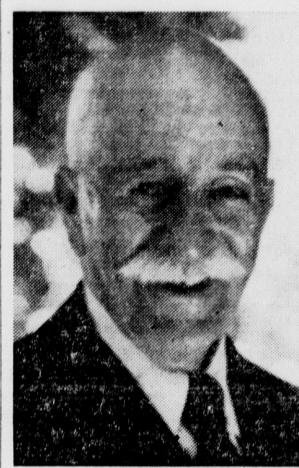

FRACTURES HIP

Mrs. William Bliss, Niles, fell in the kitchen of her home at 544 Third street, Sunday, and suffered a hip fracture. She was taken to Alameda Hospital where she is reported to be resting comfortably.

TWO WELLS READY FOR SYSTEM USE

Two wells for the use of the Alameda County Water District have been completed, the pumps installed and will be cut into the system as soon as the P. G. & E. is able to furnish electrical transformers for the motors, it was revealed yesterday by the board of directors.

One of the wells is located near Santos Road between Niles and Centerville and will be a new addition to the township system. The other well is located near Newark on Thornton avenue and has not been in use for several years. A 10,000-gallon pressure tank has been installed in conjunction with this well as a means of increasing the water flow and pressure into the Newark mains.

Enos Will Head Committee For Local Hospital District

Edward Enos, Niles postmaster, yesterday was appointed to head a committee which he will organize to sponsor the formation of a hospital district in Washington Township.

The appointment follows decision of the Washington Township Planning Committee, which successfully completed its efforts to secure amendment of the State Hospital District Act making a local district possible, to turn over sponsorship of a hospital district here to a special committee comprised of interested persons throughout the township.

The selection of Enos was announced yesterday by L. R. Ballman, chairman of the planning body.

As soon as the hospital committee is organized by Enos, the district attorney's office will be asked to draw up a petition to be circulated here asking that the matter of formation of a district be put on the ballot in the next general election. This will require signatures of 15 per cent of registered voters.

A majority vote is sufficient to establish a hospital district, whereupon the county board of supervisors appoints five trustees. Then the district may levy taxes, issue bonds, construct and operate a hospital. Thus far, 18 hospital districts have been formed in California.

Presently available hospital districts are federal and state funds which may be secured to the extent of two-thirds of the cost of hospital construction. If the voters of Washington Township elect to have a district hospital costing \$600,000, for example, \$400,000 of this amount could be secured from state and federal funds and only \$200,000 of the cost need be borne by the district.

Inasmuch as the amendment to the State Hospital District Act will not become effective until October, Enos stated yesterday that only preliminary efforts are possible until that time.

In assuming leadership of the township-wide effort for a local hospital, the chairman brings to his post a varied experience in civic service. He is a member of the Washington High School Board of Trustees, a director of the Niles Rotary Club, head of the Community Chest drive, past president of the Niles Junior Chamber of Commerce, and was a member of the local draft board. It was through his efforts that the area west of Niles was recently annexed to the Niles Sanitary District.

According to the Board of Directors of the Alameda County Water District, an additional 3,000 feet of water line will be laid to supply new users along Palm Avenue, Mission San Jose.

According to the report of investigating officers, Casey's car was parked near a highway food stand when it was struck. Owens was given a citation for drunken driving and was fined \$150 on his plea of guilty before Judge E. A. Quaresma in Niles Justice Court last week.

Township Mourns Death Of Pioneer Joseph Shinn

Joseph C. Shinn, 86, one of Washington Township's most prominent pioneer residents, drowned while swimming in a pool at his home near Niles about 4 p.m. Monday.

Mr. and Mrs. Shinn, as was their daily custom during the summer months, had been swimming in the lake near their home and as she walked from the water he had commented on it being a warm day. When she turned around seconds later he had disappeared.

Dr. Merle J. Buehler, Niles, and Joseph Shinn Jr., were the two searching swimmers who found the body, after approximately 45 minutes, in about seven feet of water and brought it to shore. Artificial respiration and stimulants failed.

Mr. Shinn was the son of the late James and Lucy Ellen Clark Shinn, who came to Niles in 1856, originally from Ohio.

IN BUSINESS WITH FATHER

He was born at Niles in 1861 and began his education as a student at the first grammar school in Centerville, later attending Boys' High in San Francisco, Washington College in Irvington, and graduating from the University of California.

Upon graduating he entered business with his father, a pioneer nurseryman, in fruit growing and farming.

In 1905 he was united in marriage to Florence Mayhew, Oakland, daughter of H. A. Mayhew, one-time president of the San Francisco Grain Exchange.

BEGAN GRAVEL EXCAVATION

He was the first local resident to start gravel excavation in Niles, removing gravel from his land for sale to the old Central Pacific Railroad for its roadbed in this area. In later years he leased the land for gravel excavation. Although he entered into many business ventures during his lifetime, including operation of a gravel mill, association with a mining company, and the operation of a nursery, he never lost interest in farming and fruit raising and continued to farm some 80 acres of orchards with the assistance of his son, Joseph C. Shinn Jr.

His late brother, Charles Howard Shinn, gained prominence in San Francisco as a newspaperman, and his late sister, Millie Shinn, was the first woman to receive a doctor's degree from the University of California and served as editor of the Overland Monthly in San Francisco for many years.

HEADED MANY ORGANIZATIONS

Mr. Shinn was prominent in civic and religious organizations, having served as president of the Alameda County Water District for many years, a position which he recently resigned. He was also past-president of the Board of Trustees of Washington Union High School, past-president of the Alameda County Farm Bureau, past-president of the Board of Trustees of the Niles Congregational Church. SET FLOWER SHOW DATE FOR AUG. 9-10

Members of the Southern Alameda County Branch of the American Begonia Society are preparing this week for their Second Annual Flower Show to be held at the Mt. Eden school on August 9 and 10.

The exhibit will be open to the public from 12 noon until 10 p.m. Saturday and from 10 a.m. until 10 p.m. Sunday with no admission charged.

The show will feature potted tuberous begonias but will also include such shade lovers as fuchsias, coleus, ferns and gloxinias. One outstanding display will be a moss wall with ferns and rex begonias constructed in a naturalistic way with moss covered rocks and logs.

GRASS FIRES KEEP FIREMEN BUSY

Irvington firemen were called out twice Monday to extinguish grass fires burning near the community. The first blaze was in the dead grass between the railroad tracks south of the business district and the second alarm was for a roadside fire along the Irvington-Centerville highway. No property damage was reported.

SESQUI QUEEN TO HOLLYWOOD AUG. 6

Miss Rosemary Telles, queen of the Mission San Jose Sesquicentennial celebration this spring, will leave Mills Field, San Francisco, via plane Wednesday at 8 a.m. for Hollywood where she will spend four days as a guest of the Center Theater, Centerville, and the board of directors of the Sesqui celebration.

The trip to the film capital with all expenses paid was a part of her award for winning the queen contest but Miss Telles has been unable to make the trip until this time.

She will be accompanied on the trip by her aunt, Mrs. Louise Kahn of Modesto. During their visit they will stay at the Hollywood Plaza Hotel and tickets have been obtained for them to visit such popular radio broadcasts as Queen for a Day, Bride and Groom, and Glamor Manor.

The queen and her chaperone will also be escorted through United Artists and Metro-Goldwyn-Mayer picture studios.

They will return by plane from Burbank the evening of August 9.

ATTEND LIONS CONCLAVE AT SAN FRANCISCO

Erle Hygelund and Harry Weber of Centerville attended the International Lions Club convention in San Francisco this week as delegates of the Centerville Chapter. Other members of the Centerville club who also attended some sessions of the convention were Edward L. Rose, Irvington, and Chick Santos, Newark.

NILES CHAMBER HOSTS FIREMEN

Niles fire eaters and business men sat down to a long-to-be-remembered barbecue feast last Thursday evening when the Chamber of Commerce was host to the fire department and fire commissioners in Solon's basement. The affair was arranged by Dr. T. C. Wilson and the food was prepared by Tony Slavich.

Highlight of the evening was the presentation by Chief Clarence Crane of honorary badges to former members of the department, including A. M. Alves, former chief, Virgil Young, Frank Rose, Bill Helm and Marsten Dassel. Frank Silva and Syd Carr also have received badges, although they were not present at the feast.

Others present to enjoy the steak, corn, beans and fellowship were Joseph Costa, J. E. Perry, Frank J. Souza, Tom Estudillo, J. A. McDonald, John Musgove, William V. Mendoza, Robert Blacow, Charles Frick, Arnold Bellini, George Bonde, John Alves, John Bramst, E. E. Dias, L. R. Batman, Virgil Young, Joe Ferry, Cy Solon, Leon Solon, Frank DeSalles, Caesar DiGuilio, John Turner, William Estudillo, Dr. E. C. Grau and C. W. Chrysler.

PLEADS GUILTY TO THEFT OF CAMERA

Perry Houston, 37, Negro itinerant fruit picker, changed his plea of not guilty to guilty and was sentenced to \$100 or 20 days by Judge Allen G. Norris in Centerville Justice Court last Friday on a petty theft charge.

Houston admitted stealing a camera from the automobile of Walter J. Rose, R.F.D. Box 252, Niles.

J. C. SHINN DIES

(Continued from page 1) and served as a member of the draft board here during World War I.

As a hobby he was a mountain-climbing enthusiast and was a long-time member of the Sierra Club.

Mr. and Mrs. Shinn had returned just three weeks ago from a visit with one of their sons, Commander Allen M. Shinn, at Edgartown, Mass.

SERVICES THURSDAY

He was the husband of Florence Mayhew Shinn; father of Joseph C. Shinn Jr., Niles, Commander Allen M. Shinn, Edgartown, Mass., Mrs. Frank Solinsky III, Sutter Creek, Calif., and Mrs. Sherman Leonard, Niles. He is also survived by 11 grandchildren.

Funeral services were held at the Niles Congregational Church yesterday at 2 p.m. with Rev. Donald Kirkbride, pastor, officiating.

Inurnment was private under the direction of the Berge Mortuary Company, Niles.

PROPOSED SCHOOL BUDGETS ALL SHOW INCREASE IN COST

Public hearings on the budgets for 1947-48 for schools of Washington Township, as proposed by Vaughn D. Seidel, county superintendent of schools, will be held at each of the ten schools next week.

Without exception the budgets for the 1947-48 school year show an expected increase in expenditures over 1946-47, this brought about mainly because of the increase in salaries for the members of the teaching and administration staffs.

For Washington Union High School the 1947-48 budget lists a total of estimated expenditures at \$302,050 for an increase of \$67,899 over the \$234,151 expended in 1946-47.

INCREASED ASSISTANCE

The proposed budget shows that state and federal apportionments will reach almost \$20,000 more than last year, with \$56,576 received in 1946-47 and \$76,229 assigned for the current year. Under the estimated income it is recommended that \$97,063 is the district tax requirement last year as compared with \$157,500 for 1947-48. The public hearing will be held at 8 p.m. August 5.

BARN DANCE IS WELL ATTENDED

Members of the St. Jude Institute, Y.L.I., of Irvington, report that their Old Fashioned Barn Dance held at the Irvington Grammar School last Saturday night was a great success with a capacity crowd enjoying dancing to the music of the Township Melody Makers.

The dance was sponsored by the group by popular request after a similar type dance was presented a month ago so successfully.

The park itself is NOT a fire hazard—it is the trespassers and people from the city who don't know what damage a cigarette or match can do. The Silvas have cleaned the park with bulldozer and have done everything they can for themselves and connecting property to help prevent fire.

I remind them again it was not the Silvas of the Elderberry Park that I was talking about; it was meant for careless people who care for their property but don't give a hoot for others. I hope that the party who cut the former paragraph out and presented it to Mrs. Silva will cut this one out and put it through the same process.

The Niles Elementary School budget calls for \$70,156 as compared with \$54,107 for the corresponding period last year. The only increase in cost of any consequence is in the teachers' salary bracket with \$42,000 to be expended this year as compared to \$33,610 for 1946-47. The meeting for the study of this budget has been called for 7 p.m. on August 4 at the school.

The budget for the Decoto Elementary School is \$85,929 against \$58,429 last year for an increase of \$27,500, most of which is taken up by the increase in salaries for the members of the teaching staff. The hearing on the Decoto budget will be held at the school at 8 p.m. August 5.

The Editor, Sir:

In the article that was written concerning the fire in Niles Canyon of June 22 there was a paragraph stating, "Mrs. Ripley pointed out that the homes are located next to an area used as a public picnic ground which is a potential fire hazard with careless smokers throwing matches and cigarettes in the dead grass."

Why I am repeating this and bringing it out is that a few people (I don't know who) pointed this particular paragraph out to Mr. and Mrs. Silva and family for their information.

The park itself is NOT a fire hazard—it is the trespassers and people from the city who don't know what damage a cigarette or match can do. The Silvas have cleaned the park with bulldozer and have done everything they can for themselves and connecting property to help prevent fire.

I remind them again it was not the Silvas of the Elderberry Park that I was talking about; it was meant for careless people who care for their property but don't give a hoot for others. Q: Did you sell any houses and lots?

A: Yes, I sold four (he went on to name the four buyers).

Q: Did you receive your commission for making the sales?

A: No.

The defense attorney took over the questioning:

Q: Who appeared to be supervising the building?

A: I did not inquire.

Q: Did you ever know Bodily?

A: No.

Q: Was any mention made as to who built the houses?

A: It was always WE who built them, or WE who have materials.

Next called to the witness chair were Wallace Bowers and Gerald

Meekins, two of the home-owners.

Both men testified that they completed the transactions with Shuman and signed the contracts in the office of Charles Wauhab, real estate broker, in Centerville. Time and again Smallwood hammered them with the query: "You needed and wanted a home and you didn't ask Mr. Lewis or Mr. Shuman who was going to build the houses did you?"

Both witnesses stated that they had not asked but had assumed that, by the way the term WE was used, it indicated to them that Suburban Homes Company was going to do the construction work. A recess was taken at 12 noon until 1:15.

OWNERS TESTIFY

When court reconvened at 1:15 p.m. six more of the veteran homeowners were called to the stand by the state to testify. They were Harry Johannessen, Leigh Kimmel, Carl H. Bauer, Tony E. Correa, John B. Patterson, and Robert B. Patterson.

Each testified that he first met Shuman or Lewis in either the office of Charles Wauhab or Fred Cox and two of the men testified that contracts were signed in local taverns.

CORPORATION FORMED

Next witness called was W. D. Richards, attorney for the Suburban Homes Company, who testified that the company was incorporated in June, 1946, with the wives of Lewis and Shuman as officers and himself as secretary. He stated that neither Shuman nor Lewis were or are now officers of the corporation.

August M. Rahvies, inspector of the Contractors' License Board, was called to the stand and was asked if Suburban Homes, Inc., had a contractor's license.

"They have not and never have had a license," he answered.

Rahvies went on to state that he

attended a meeting called by a group of home owners on the evening of May 22, which was also attended by Shuman, Lewis, Richards and Bodily. He stated that he asked the two defendants at that time if they had contractors' licenses and they told him they did not.

"Did you ask them if they had signed the contracts with the home buyers?" Crews asked.

"I did, and they stated that they had signed the contracts," was the answer given by Rahvies.

With that the prosecution rested.

BODILY TESTIFIES

First witness called by the defense was Dan R. Bodily, president of the Bodily Construction Company of San Leandro, who did most of the construction of the houses.

Bodily testified that he signed a contract with the two defendants to build 26 homes on the Hansen Tract but added that a man named R. R. Rust, a licensed contractor, was supposed to do the building and Bodily was to furnish the materials.

"Did Rust's name appear on the contracts?" he was asked by Crews.

"No, it did not," Bodily said.

"What happened to Rust?"

"He was forced to retire and is under a doctor's care."

"You then assumed actual supervision of construction?"

"Yes."

"And you did not yet have a contractor's license?"

"Not right away, but I had applied for one about that time."

"Did you ever enter into a contract with any of the home owners here today to build their homes?"

"No, I did not."

DESCRIBES PROCEDURE

For its final witness the defense called L. M. Lewis to the stand.

Asked to describe exactly how the homes were sold, Lewis stated that the deals were made either by himself or by Shuman through the real estate dealers Wauhab or Cox. The contracts then were signed and the parties were taken to the bank in Oakland for approval and to establish credit ratings. The building of the houses was never started until the loans had been approved.

Lewis described himself as an employee of the corporation authorized to sign the checks and contracts.

Shuman was not called to the stand to testify.

At Birthday Party

The Oakland Oaks really had their innings last Wednesday night and in a most unexpected fashion. Robert Lewis, son of Mr. and Mrs. Frank Lewis of Niles, celebrated his thirteenth birthday, July 30, in a way that would have warmed the hearts of all the Oaks players.

Robert Lewis and his pals are truly Oaks fans, inasmuch as the birthday party featured the Oaks. The place cards had on them the names of the Oaks players, and each boy present became the counterpart of his favorite Oaks player.

A weiner roast comprised the refreshments for the occasion. And the conversation? Why, baseball of course!

After the party, the boys were taken to the Oakland Ball Park to witness a baseball game. Unfortunately, their idols, the Oaks, weren't playing, but they watched the Tribune tournament.

The boys who attended the party were Reginald Lewis, Gene Mayer, Laurel Mayer, Ernest Rego, Joe Gonsales and David Turner.

Will Attend Two
San Diego Conventions

Mr. and Mrs. M. J. Bernardo and Mr. and Mrs. W. J. Furtado, Centerville, will leave August 14 for San Diego to attend state conventions of the U.P.E.C. and S.P.R.S.I. organizations which will be held in the down-state city August 16 through the 20th. Bernardo, Furtado and Al Silva are delegates to the U.P.E.C. convention and Mrs. Furtado is a delegate to the S.P.R.S.I. convention.

The two couples plan to take several side trips visiting Catalina Island and Mexico. Upon their return Mr. and Mrs. Bernardo are planning to go to Richardson Mineral Springs at Chico for two weeks.

Roy Duarte Claims
Bride from San Leandro

Miss Elaine Ramos, daughter of Mr. and Mrs. Edward Ramos of San Leandro, and Roy Duarte, son of Mr. and Mrs. Joseph Duarte of Fremont Avenue, Centerville, were united in marriage on Saturday, July 26, at 10 a.m., in St. Leander's Church in San Leandro. It was a nuptial ceremony performed by Father Alvarez. The altars were beautifully decorated with white gladiolas and stock.

The bride walked up the aisle on the arm of her father, preceded by her maid of honor, Miss Marilyn Erickson.

Miss Veronica Riggs, cousin of the bride, sang several selections with Mary Spinosa at the organ.

Best man was Raymond Rose of Santa Clara, cousin of the groom, and the ushers were Herbert Erickson of San Leandro and James George of Centerville.

The bride was attired in an original gown of traditional ivory satin, fashioned with a yoke of Alencon lace, tapering full length sleeves, fitted bodice, and long train. The veil of imported illusion was fingertip length and was fastened to a crown embroidered with bugle beads.

She carried a shower bouquet of white begonias and stephanotis and wore a diamond-set gold cross, gift of the groom.

The maid of honor wore an apricot gold satin tight-fitting bodice gown, fastened with tiny buttons and edged in pleated ruching with mitts and hat to match. She carried a shower bouquet of apricot begonias and blue delphinium.

A reception was held after the wedding at Pland's Villa for their relatives and friends.

The mother of the bride wore a grey frock with pink accessories and corsage of French tea roses. Mother of the groom was in aqua crepe with dusty rose accessories and a corsage of pink begonias.

After cutting their three-tiered cake, surrounded with white begonias, the couple left on a two weeks' honeymoon in Southern California.

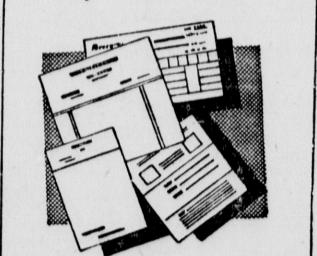

The bride chose for her going-away costume a navy wool suit with egg shell accessories and a corsage of tiger orchids and carried a gold coat.

The groom wore a matching blue suit.

Elaine is a graduate of the Holy Names High School and Lux College and is employed at Margaret Goodrich Custom Salon in San Francisco, and the groom is a graduate of Washington Union High School and San Jose State. He has been accepted in the College of Pharmacy in San Francisco. He served in the Air Corps for two and one-half years and has to his credit 60 missions over the European Theater.

Enjoy Sea Fishing
Four Washington Township sportsmen, M. J. Bernardo, Joe Lewis and Manuel Lemos of Centerville, and A. A. Amaral of Decoto, enjoyed a day of deep sea fishing one day last week off Princeton Beach. The group reported catching a nice mess of cod.

De Guadalupe Members
Return from Convention

The five members of De Guadalupe Institute, Y.L.I., who returned home this week after attending the Y.L.I. convention in Seattle, are still talking about the wonderful trip they had.

Aside from the convention meetings, which were highly interesting, they also enjoyed seeing the northwest, including Victoria, B.C. They arrived in Victoria by boat.

Food prices in Seattle, they found, are slightly lower than they are here, and they are still remembering the delicious fish dinners they had in that city.

They were in Victoria only a few hours, so didn't have time to do much sightseeing. They were unable to purchase more than five dollars worth of merchandise duty-free because of a ruling which prohibits visitors in the city who are there less than 48 hours from buying more than five dollars worth duty free. Those who stay 48 hours or longer, may buy \$100 worth of goods duty free.

In Portland, the five women—Mrs. Mewhinney's daughter, Mrs. Betty Irwin; another daughter, Mrs. Grace Nevels and her husband and daughters, Betty and Corine; and son Eugene; also Bill Mewhinney and his wife and daughters, Deanna and Nancy Jo; Mr. and Mrs. Lee Mewhinney; Mrs. Eileen Malitz and husband and daughters, Janine and Jeanette (the two latter are great-granddaughters of "mother" Mewhinney); and a friend, Mrs. Marcia Irwin.

The honoree received many lovely gifts from the guests, who spent the day visiting and taking pictures.

Dallas Pauls Return
From Mountain Trip

Mr. and Mrs. Dallas Paul returned to their home in Centerville Sunday evening after a 10-day vacation spent in the mountains. Points of interest visited by the couple included Lake Tahoe, Reno, Carson City, Virginia City and Lake Alpine. They reported having a wonderful time visiting at the mountain home of Mr. and Mrs. Floyd McCown at Twain Harte.

McCown, formerly with the Ford Garage at Centerville, is sales manager for Steven-Wise Ford Garage in Sonora.

Enroute home the Pauls stopped at El Dorado, Palo Alto Military Academy summer camp, to pick up their son, Butch, who accompanied them home.

The bride chose for her going-away costume a navy wool suit with egg shell accessories and a corsage of tiger orchids and carried a gold coat.

The groom wore a matching blue suit.

The engagement of Beverly Zwissig, daughter of Mr. and Mrs. Frank Zwissig, formerly of this locality and now of Burlingame, was announced recently at her Burlingame home. Her fiance is Mr. Charles Eachus Jr., also of Burlingame. The couple plan a September wedding.

"Mother" Mewhinney
Honored on Birthday

It was an especially happy day for Mrs. Manda Mewhinney of Irvington last Sunday when her family, comprised of children, grandchildren, and great-grandchildren, and her friends, assembled at her home to wish her a "happy birthday." The guests arrived bringing fried chicken, with everything that goes with it, and concluded the festive meal with ice cream.

It was a double celebration, as "Mother" Mewhinney's birthday, on Monday the 28th, preceded only by a day the birthday of her daughter-in-law, Mrs. Monroe Mewhinney.

The guests included Mr. and Mrs. Monroe Mewhinney and daughters, Patty and Joanne and son, Richard, of Wichita, Kansas; Mrs. Mewhinney's daughter, Mrs. Betty Irwin; another daughter, Mrs. Grace Nevels and her husband and daughters, Betty and Corine; and son Eugene; also Bill Mewhinney and his wife and daughters, Deanna and Nancy Jo; Mr. and Mrs. Lee Mewhinney; Mrs. Eileen Malitz and husband and daughters, Janine and Jeanette (the two latter are great-granddaughters of "mother" Mewhinney); and a friend, Mrs. Marcia Irwin.

The matron of honor, Mrs. Rosia Lago of Niles, was attired in an aqua blue gown and carried a bouquet of red roses. Mr. Frank Lago was best man.

Others in the wedding entourage included Mrs. Virginia Reyes, Hayward; Mr. Richard Reyes, Hayward; Sarah Correia, Decoto; Natividad Reyna, Niles; Mr. Gilbert Mora, Mission San Jose; Della Mora, Mission San Jose; and Mr. Raymond Gallegas, Hayward.

Flower girls were Peggy Rodrigues, Irvington, and Eleanor Mora, Mission San Jose. Ring bearer was Joe Jimenez Jr. of San Jose.

Mrs. Lewis, Centerville, played the organ.

A reception, immediately following the wedding, was held at I.D.E.S. Hall with more than 100 guests enjoying the dancing and refreshments.

The newlyweds then left for a honeymoon, destination unknown.

The bride is a graduate of Washington Union High School, class of '45, and has been employed in Oakland.

Her husband is employed at the Holly Sugar plant in Alvarado. He is a navy veteran, having served three years as a pharmacist before being discharged in 1945.

They will make their home in Warm Springs.

Return from Colorado

Mrs. Anna Howard and daughter, Olive, of Centerville returned home last week from Denver, Colorado, where they spent a two weeks' vacation visiting relatives and sightseeing. Miss Howard returned to her job at Westvaco in Newark Monday.

Thornburgs Hear Localite In "Hansel and Gretel"

The Dwight Thornburgs of Centerville took time out from their

busy summer routine (Mr. Thornburg is attending summer classes at San Jose State) to motor up to Stockton last Friday to witness a performance of "Hansel and Gretel" given by students of the summer music camp at the College of the Pacific. Their trip was motivated by the fact that the popular young local songstress, Megilia Seno, who is a recent graduate of Washington High, was taking part in the production. She has enrolled in the six-week summer music conference.

CONSERVATION FUNDS RENEWED

The Agricultural Conservation Program for the current year will receive practically the same amount of funds as were available in 1946, according to Fred F. Lewis, Centerville, president of the Southern Alameda County Farm Bureau.

He pointed out that a couple of months ago, when indications were that funds for incentive payments would be severely reduced, some farmers became discouraged and gave up hope of performing any material amount of conservation practices. He added that the farmers should now feel reassured and doubly encouraged because not only are full funds available for 1947 but funds have also been made available for a 1948 program.

Lewis suggested that all farmers who have any questions in connection with the Agricultural Conservation Program call at the county office located at 170 Castro street, Hayward, and discuss the matter.

WATER DISTRICT WILL STUDY DAM SITE PROPOSALS

Reports on two surveys made recently by engineers to determine the possibility of constructing a water reservoir dam in the upper reaches of Alameda Creek will be reviewed by the board of directors of Alameda County Water District at a meeting called for August 9 at Centerville.

T. A. Espy, production engineer for the City of San Francisco, has completed a private study of the proposed La Costa site, and his assistant, I. E. Flaa, surveyed the area in the Arroyo Del Valle district.

The board of directors of the water district recently came to the decision that the wells that are at present supplying all the water to the communities in the township will soon be inadequate unless a method of controlling the amount of water supplying the wells is found.

The proposed plan is to erect a dam in the hills above Livermore and release water into Alameda Creek at intervals to allow it to keep the gravel beds at the entrance to Niles Canyon saturated, thus maintaining a constant water level in the wells.

The members of the board of directors who will meet to discuss the two plans with the engineers are: W. D. Patterson, Newark, president; Louis S. Amaral, Alviso district; Manuel J. Bernardo, Centerville; Dr. E. M. Grimmer, Irvington; Jack Prouty, Mission San Jose; and the secretary and engineer for the board, Herbert Harrold, Decoto.

REBEKAH NEWS

The regular meeting will be held tonight (Friday), according to Noble Grand Maggie Niell.

In charge of refreshments will be Catherine Anderson, Elsa Mikkelson and Margaret Stetz.

Following the business meeting, there will be practice for initiation.

Necona Theta Rho Girls Club will hold initiation practice today (Friday) at I.O.O.F. Hall at one o'clock in preparation for initiation ceremonies to take place on Monday night.

The initiates will be Mary Lynn Lamoreux, Charlene Fournier, Charlene O'Brien, Lenore Lammie, all of Niles, and Mrs. Stockwell of Hayward.

YOUTH FELLOWSHIP PARTY AT NILES

"Lose your blues at the house of blue lights." The Niles Congregational Youth Fellowship has chosen this as their theme for the gala house party they are giving tonight (Friday) at the parsonage at 8 p.m.

The committee in charge has reported that because of so many requests for a repeat performance of a previous house party, tonight's affair has been planned along the same line of entertainment. Many young people of the community have been invited. Refreshments will be served.

LAKE FISHING IMPROVES

Fishing in the higher lakes of Mono and Inyo counties is becoming very good. Anglers have recently brought out several limits from the high areas in the back country.

TROUT FISHING GOOD

Trout fishing continues good along the Merced river in Mariposa county. Nearly all fish being taken are rainbow trout that run around 15 inches.

BLACK COD RUN

A large run of black cod last week entered Monterey Bay. Anglers along the wharves were taking great numbers of these fish on hook and line.

DEER HUNTING PROSPECTS

Deer hunters should enjoy excellent sport in San Diego county when the season opens there. Although deer are numerous in the Mount Laguna region, in the vicinity of Cuyapape Indian Reservation, hunters might have trouble getting permission to hunt on private property.

LARGE HALIBUT TAKEN

Large halibut were taken last week off China Beach north of Capitola, Santa Cruz county. Most of the fish were being taken by skiffs trolling just outside the surf.

KEEPING TROUT FRESH

From Kings River comes a tale of a venerable pack-train operator, whose method of preparing trout for transport has been adopted by several local sportsmen. The method reputedly keeps trout fresh and sweet and preserves their pristine coloration for many days.

Here's how.

* Lay cedar fronds on a burlap sack, with enough fronds to completely cover the sack. Lay out your trout in a row on the fronds, so spaced that they do not touch. Roll up the burlap, the cedar fronds, and the trout like a big tamale. Dip into water and hang out to drain. Hang out overnight to chill the fish, and wrap in a bed-roll the next morning when you start for home.

SPORTSMEN FLY TO MOUNTAIN LAKE

Several members of the Newark Sportsmen's Club took to the air last week to get in a full day of angling at Pillsbury Lake in Northern California.

The group left Centerville Airport about 4:30 a.m. and enjoyed nine hours of fishing, returning here at 5 p.m. Two planes were used in the aerial excursion, one a twin-engine Cessna piloted by Don Hubbard, superintendent at the field, and the other an Ercoupe piloted by Peter DeTrant, Newark. According to Hubbard the group was successful in bagging good catches but as he put it, "Big fish were not biting but the little ones were."

Those making the trip, in addition to the two pilots, were: Stanley Majeski, San Jose; E. J. Keener and Louis Smith, Newark; and V. J. Vargas, Decoto.

WILL OPEN BIDS FOR NEW SEWER

Bids for the laying of approximately five miles of pipe to serve the recently annexed area to the Union Sanitary District will be opened by the directors at a meeting called for August 22 at 11 a.m. in the Coit Hardware building, Centerville.

The area which will be served by the new sewer line is bounded by the Centerville-Irvington Highway, Santos and Mowry Roads.

Members of the board of the sanitary district are G. I. Emerson, George Coit, M. J. Bernardo, M. D. Silva and Frank Jones.

INVITE WASHINGTON TEAMS TO COMPETE

Softball managers in Washington Township were invited this week to enter their teams in the First Annual Livermore Softball Tournament to be held August 14 to 22 with teams from all neighboring communities eligible to compete.

According to Tournament Manager C. B. Schuchardt \$100 in cash and a handsome winner's trophy will go to the champion team. The runner-up in the final game will receive a trophy and \$75 in cash, while the two losers in the semi-final games will receive \$25 each.

Managers wishing to enter their teams should contact C. B. Schuchardt, First and M streets, Livermore; or phone Livermore 82-R not later than August 11.

Drawings for first-round opponents in the tourney will be held at the Livermore city hall on Monday, August 11, at 8 a.m. and Schuchardt said this week that in case a team is not represented at the drawing disinterested persons will draw in their stead.

Only breathing spell the tournament will take once it swings into action will be on Sunday night, August 17. Except for that date, there will be a double-header each night, starting at 7:30 p.m., until the two finalists meet on Friday night, August 22.

NEWARK MAN HURT IN MOUNTAIN FALL

Clyde W. Lindsay, construction manager of the new tract of homes being built in Lindsay Gardens at Newark by the Claude T. Lindsay Company, is in St. Francis Hospital in San Francisco this week after a harrowing experience in the mountains near Bishop.

Lindsay, accompanied by Arthur J. Cline, Newark, and Al Peterson, Stockton, left July 18 for a fishing trip in the mountains. At Bishop the party left their automobile and proceeded on up the mountains with horses. Early Tuesday morning they started to hike further upstream from the camp and it was during this walk that a rock ledge on which Lindsay was standing gave way and he fell approximately 20 feet with a large boulder rolling over his leg, causing a fracture.

He was unable to walk and Peterson started the long trek back to Bishop for assistance. Cline remained with the injured man and it was 48 hours before a doctor and the rescue party arrived. The doctor treated Lindsay for shock, placed the leg in a temporary splint and the 12 men in the rescue party carried him back down the rugged mountainside on a make-shift stretcher.

As soon as the party reached Bishop the injured man was placed in an airplane and flown to the San Francisco hospital. His condition is reported to be "improved."

PREPARE SCHOOL FOR FALL TERM

A number of improvements for the Centerville Elementary School have been authorized by the board of trustees to be completed during the summer vacation.

The oil furnaces are being converted to gas, the stage curtains have been cleaned and flame-proofed, and orders have been placed for furniture for the kindergarten which will open on September 10. Other jobs of maintenance have been done by Clarence George, custodian.

The members of the board of trustees, Manuel Oliveira, Ernest J. Sabina and Judge Allen G. Norris, are also consulting with architects over the plans for the new classrooms and garage which will be constructed in the near future.

BOY SCOUT ACTIVITIES
SCOUT LEADERS TO PLAN ROUNDUP

A committee of scoutmasters and cubmasters from throughout the Southern District of the Boy Scouts will meet Tuesday evening, August 5 at 8 p.m. at the Boy Scout cabin, Memorial Park, Hayward, to plan for this year's annual fall roundup of scouts and cubs.

Camping and activities chairman, Wm. Bowman, of Hayward, has announced the appointment of the following men to the Roundup Planning Committee: From the Las Positas area—Herman Wood, camping and activities committee-man; Scoutmaster Ray Frost of Pleasanton, and Cubmaster Jack Wallace of Livermore. From the Washington Area—Fred Duffie, camping and activities committee-man from Niles; Scoutmaster John Musgrave from Niles; Cubmaster Kenneth Foster from Newark; Committeeman John Names from Niles, and Neighborhood Commissioner Phil Sousa from Centerville. From the Eden area—Scoutmaster Roy Christensen of Hayward; Scoutmaster Henry Leber of Castro Valley; Cubmaster B. L. Kirkland and Wm. Reno of Hayward, and Cubmaster Harry Shuger from Castro Valley.

The opening of the new school year is the traditional time for all scout troops and cub packs to roundup their membership and plan the new scouting activity year.

The scouting program is supported by your local Community Chest.

BRUCE ROEDING IS COMMENDED

Bruce Roeding of Niles, assistant scoutmaster, was commended last week in a letter from Don McDougal, district executive of the Oakland Area Council, for his services as a troop leader at the council's High Sierra summer camp, Dimond-O.

Roeding is an Eagle Scout and served as assistant scoutmaster of the Vigilante troop of scouts during the first period of this year's camp. His brothers, Jerry and George, were both campers during the same session.

Another camping opportunity for all Boy Scouts in Southern Alameda county is being planned by Southern District Boy Scout leaders this week. It will be a five-day summer camp at Crow Canyon Park, according to the announcements released to all scout leaders.

The program will feature swimming and aquatics, instruction in all phases of scoutercraft advancement including all second class and first class requirements and outdoor merit badges, a hiking program and camp type crafts, games and campfires.

Scouts will attend the camp by organized patrols, bringing their own food for the five day period, and will prepare their meals under the supervision of trained adult scouts.

Southern District Executive Don MacDougal will direct the camp with the assistance of Dr. E. H. Lum as health director. Commissioners Ed Cormack and Ralph Clement will serve as troop scoutmasters. The selection of junior troop leaders has not yet been announced.

Scouts will register through their own troop leaders for the camp.

Other members of the Camping and Activities committee responsible for the plans are Joseph Koenig of Hayward, Fred Duffie and John Names of Niles, and Herman Wood of Livermore.

Scouts are expected from throughout the southern Alameda county district.

PREPARING FOR ANNUAL MOOT

Local Boy Scout leaders are this week preparing for the annual fellowship event for men of scouting to be held at Camp Dimond-O,

near Yosemite Park, August 29, 30, 31 and September 1.

As has become customary over the years, the famous "Tuolumne Players," which is a group of scouts, will put on a Saturday evening production.

There will be special Sunday religious services and Sunday evening movies by Merle Tobias of Oakland, who has been shooting the official film of council events, including the Scout-O-Rama and summer camp.

Southern District Scouting will take over the Vigilante camp buildings and will be responsible for the fellowship features of the Saturday evening period.

The Moot program will commence at 3:00 p.m. Friday, August 29, and will close Monday at noon.

Scout leaders and cub leaders who plan to attend are urged to send reservations to the Oakland Boy Scout office ahead of the Moot so that the cooks can plan menus.

YOUTHS ENLIST IN NAVAL RESERVES

Seventeen Washington Township youths between the ages of 17 to 23 were sworn into the Civilian Naval Reserve at the Decoto Elementary School last week at a meeting arranged by Lieut. Commander Lewis Musick, volunteer recruiting officer.

Musick stated this week that additional meetings would be held in other communities here in the near future for the purpose of explaining the peace-time program to men of the area.

NO LOCAL CASES

Washington Township grocers, fearful that their stock might be of the contaminated brands, have refused to sell the sauce since the first cases of poisoning were reported in the Oakland and San Jose areas.

No cases of food poisoning have been reported in the township, although one grocer stated that he had just received a new shipment and sold several of the bottles a few days before the cases were reported in neighboring cities.

MUST BE DESTROYED

"All soy sauce is now under quarantine and not to be sold until the contaminated brands are destroyed," Dr. Moreland stated in his letter.

"The Alameda County Health Department has a listing of these brands and within the next few days a health department inspector will call on each soy sauce retailer and wholesaler, where the contaminated brands will be destroyed under the inspector's supervision. Dealers will be given receipts by the inspectors for the amounts destroyed, so that they may be reimbursed by the manufacturer.

PERSONAL TAX PAYMENTS DUE

For the current 1947-48 fiscal year the sum of \$1,063,622.26 in unsecured personal property taxes already has been collected, according to County Tax Collector Edwin Meese Jr. Under the direction of Deputy James F. Cogorno more than 40,000 bills were mailed in the last sixty days covering the county assessor's levies on household goods, store merchandise, miscellaneous equipment and other property, taxes on which are not a lien on real property.

Washington Township grocers, fearful that their stock might be of the contaminated brands, have refused to sell the sauce since the first cases of poisoning were reported in the Oakland and San Jose areas.

No cases of food poisoning have been reported in the township, although one grocer stated that he had just received a new shipment and sold several of the bottles a few days before the cases were reported in neighboring cities.

Improvements to be made at the bakery include the removal of the
